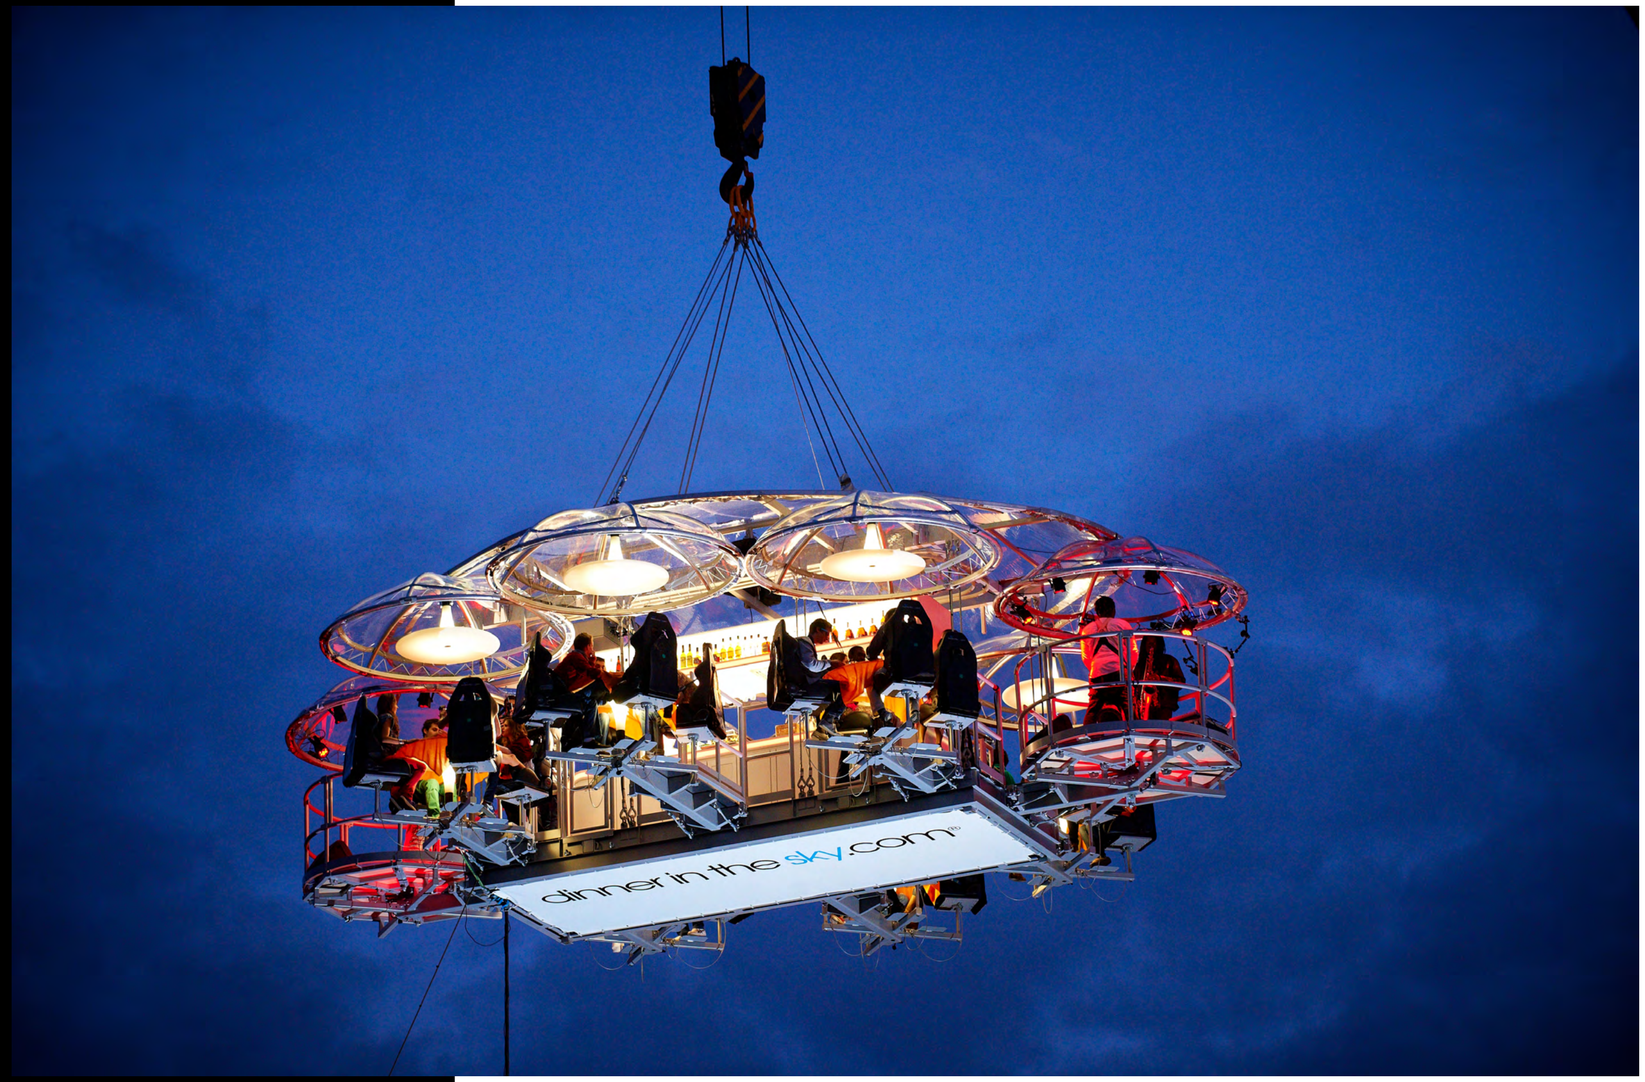
WELCOME TO ANTWERP

31 MAY TO 6 JUNE '21

Make yourself comfortable in the "executive seats" and disconnect from the ground floor. In Antwerp the table will be set at the level of the "Waagnatie" with a perfect view of the famous city skyline. In addition, watch the fascinating play of light in one of the most bustling harbors in the world.



WELCOME TO BRUSSELS

11 TO 28 JUNE '21

The combination of the illuminated Martyrs' Square as unusual ambient mood light and the filtered city sounds at 50m height is a wonderfull setting for a special summer evening in our capital. Discover the beauty of Brussels from a different perspective.

WELCOME TO SINT-TRUIDEN

6 TO 12 SEPTEMBER '21

In 2021 we will surprise you with a **new location** in Limburg. Last year we had already an amazing journey at Alden Biesen but now you will be mesmerized by the new surroundings of Dinner in the Sky at the castle of Ordingen. Here you enter to be one with the environment and experience unprecedented freedom.

In 2021 the platform will offer room for a total of 32 people. The places are devided into 8 tables of 4 people centrally located around the kitchen island with the Michelin star chef.

It is now possible to book an individual table of 4 people or privatize the entire platform for you and 32 guests.

At **DINNER IN THE SKY**, every opportunity has its own perfect setup. You are the one who makes the choice, we make it happen!

This set-up has the advantage that you can contact better with the other invitees who will take a seat at your table. **Antwerp, Brussels and Sint-Truiden** are ready to welcome you with open skies.

MICHELIN
TOP FOOD

The idea of **DINNER IN THE SKY** is also to draw attention to Belgian's Michelin starred gastronomy through its best chefs. They will celebrate conviniality and Belgian gastronomy. Each day, the chefs prepare and serve, in person, a five-course gastronomic menu for 32 guests.

Watching the Chef prepare a lovely gastronomic meal up close is fascinating and hands down one of the highlights of the meal. A menu example by Yves Mattange of Sea Grill**:

Royal Belgian caviar with
freshwater shrimp

Lobster with burrata and
bouillabaisse emulsion

Sole from Zeebrugge with asparagus,
grey shrimps and truffle butter

Chicken from Mechelen with blue
lobster stuffing and béarnaise sauce
